Sir:

In response to the FINAL REJECTION of January 18, 1983, please make the following amendment:

IN THE CLAIMS:

Cancel Claim 3.

REMARKS

In view of the above amendment and the following remarks, as well as the accompanying declarations, the Examiner is earnestly requested to withdraw the rejections and allow Claims 1 and 2, the only claims in the subject application.

The rejection under 35 USC 112 is avoided on the following basis. First, a statement by Roger Ditzel, Patent Administrator of the University of California affirms that Bertram Rowland, as attorney, was authorized to speak on behalf of the Regents of the University of California in stating that they assumed the responsibility for replacing the deposit, should such replacement be necessary. Secondly,
